This was sent to us from our friend over at 30nothings.com, Don Povia.... It's not everyday you have the opportunity to share tofu culinary creations with a Super Bowl-winning Pro-Bowl wide receiver in the backyard of the greatest city on earth. Actually, we'd venture to say this sort of thing only comes about once in a lifetime. So when we saw that New York Giant Steve Smith was serving as brand ambassador for House Foods Super Firm

Tofu, we sent our North Jersey correspondents Eddie and Mike to mingle with Smith and sample various dishes featuring the stuff at (of all places) an esteemed steakhouse, River Palm Terrace Restaurant in Edgewater, NJ. (more)
